						WF	R	MWF		
						MWF		F		
						MF				
7:30 - 9:30	Monday evening classes	Tuesday evening classes (ACCT 210/211)	Wednesday evening classes	Thursday evening classes						

**Note: All Students:** Find the time slot that corresponds with the weekly schedule time your class begins. The final for that class will be given in that time slot. All courses must have a final evaluative activity. The Academic Vice President prepares the fall and spring final exam schedule. This schedule is available to students online at <http://www.departments.dsu.edu/registrar/catalog/schedule/>.

No student will be required to participate in more than three evaluative activities on any one day of the final exam week. Permission to reschedule a final evaluative activity should be sought before mid-semester if at all possible. The student, after consulting with his or her advisor, should petition the dean(s) responsible for the activity(ies) to be changed by completing the "Request to Change Final Week Schedule" form which is available online at <http://www.dsu.edu/forms/03-32-00.pdf>. The dean(s) will coordinate and approve the necessary rescheduling. Any changes or deviations in the schedule for an individual student must have advance approval of the dean in whose college the course is taught.
