# DAKOTA STATE UNIVERSITY OFFERS DISTINCTIVE OPPORTUNITIES IN HIGHER EDUCATION

Our nationally recognized, technology-based curriculum keeps the University on the leading edge of quality programs designed for today's challenges and tomorrow's opportunities.

At DSU, the goal of the Financial Aid Office is to help you finance your education. We look forward to assisting you as you earn your degree from Dakota State University!

## WHAT IS FINANCIAL AID?

Financial aid is money that you may receive to help offset the cost of your college education. Federal Financial Aid generally does not cover the full cost of attendance. Your financial aid award package could include any of these types of aid:

**GRANTS** are awards that generally do not have to be repaid. Most are available through federal funding and are awarded on the basis of demonstrated financial need.

**SCHOLARSHIPS** are available from many different sources. Scholarships are generally awarded based on academic achievement or special talents and do not have to be repaid. Institutional scholarships are funded by the Dakota State University Foundation. Be sure to investigate opportunities that may be available from local and regional service clubs, fraternal organizations, and businesses.

DSU also offers students information on outside scholarship opportunities at: [dsu.edu/admissions/undergraduate/cost-aid/scholarships](https://dsu.edu/admissions/undergraduate/cost-aid/scholarships)

Also, check our web site for free scholarship searches that are available.

**LOANS** are awarded at a pre-determined rate of interest to qualified students. Student loans must be repaid under the specified terms. (98% of DSU students repay their loans on time!) Repayment obligations usually begin after you complete your education, discontinue enrollment, or if your enrollment status drops below half-time.

**FEDERAL WORK STUDY (FWS)** positions are awarded based on financial need. FWS employment includes on and off campus positions to serve the needs of the institution and community with available funds.

**DSU students received over \$20 million in financial aid in the 2021 award year.**

## ADDITIONAL FINANCING OPTIONS

**ADDITIONAL EMPLOYMENT OPPORTUNITIES** are available through the Career and Professional Development Office and are not based on financial need.

**INVESTMENTS AND SAVINGS** for educational costs reduce dependence on your current family income, Federal financial aid and alternative education loans. Consider cashing in a plan to assist in paying education expenses.

**PARENT PLUS LOAN** is available for dependent students. A parent may borrow a PLUS loan to help cover educational expenses. The loan maximum is figured individually, based on your total cost of education minus any financial aid received. Repayment begins after full disbursement unless the parent applies for a forbearance or deferral while the student is enrolled. Graduate students may borrow a PLUS loan in addition to their Stafford loans. The interest rate and eligibility criteria are the same as the parent PLUS.

**ALTERNATIVE PRIVATE LOAN** programs are available to interested students who meet individual program eligibility criteria. Students may borrow up to their cost of attendance minus other financial aid received. The interest rates are variable based upon the Treasury bill, prime rate or SOFR rate and are not capped.

**TAX BENEFITS** are available to families who choose to submit information on their tax return regarding their out of pocket expenses toward the cost of tuition and certain required fees. The American Opportunity and Lifetime Learning tax credit programs are based on the amount paid by the taxpayer (either the student or the parent who claims the student as an exemption) for these expenses.

## FINANCIAL AID ELIGIBILITY

Financial aid is determined by merit or financial “need.” Merit-based aid is awarded by reviewing an applicant’s academic achievements, special abilities, or leadership skills. Student qualifications are compared against the competitive pool for scholarships. Financial need is based on the amount of educational costs that exist after your Expected Family Contribution (EFC) has been determined. Most financial aid is based on your need, which is determined using the information that you report on your Free Application for Federal Student Aid (FAFSA). Information reported is used to calculate a fair estimate of what you and your family can provide for educational expenses, known as your EFC, and what need is remaining.

$$\begin{array}{r} \text{COST OF EDUCATION} \\ - \text{ EXPECTED FAMILY CONTRIBUTION} \\ \hline = \text{ FINANCIAL NEED} \end{array}$$

DSU follows the Federal Philosophy that “the primary responsibility of financing a college education belongs to you and your family.” If you would like an estimate of your family’s contribution before you officially apply for 2023-2024, complete an EFC estimator at [studentaid.gov/aid-estimated](http://studentaid.gov/aid-estimated).

## COST TO ATTEND

The direct educational expenses (tuition, fees, food & housing) for a typical DSU student during the 2022-2023 year is approximately \$17,652 based on 15 credits per semester for a SD resident student living on campus. Every student will also have additional indirect educational expenses incurred for books, personal expenses and transportation to and from the university. Indirect expenses vary depending on personal needs and circumstances.

Visit [studentaid.gov](http://studentaid.gov)  
a Department of Education  
web site specifically for students

## DIRECT UNIVERSITY COSTS FOR THE ACADEMIC YEAR: SEPTEMBER 2022 - MAY 2023

(Based upon 15 credits per semester, includes Tablet PC lease)

Tuition Residency Status	South Dakota & SD Advantage	Minnesota	**Non-Resident
Undergraduate Tuition & Fees	\$9,634	\$10,378	\$12,736
On Campus Food & Housing*	\$8,018	\$8,018	\$8,018
Est. Direct Education Cost	\$17,652	\$18,396	\$20,754

Cost of attendance budgets vary based upon living arrangements and residency status of a student. Students living off campus should add \$1,100 to expected costs over the costs of students on campus. Students living with parents should reduce their expected costs by \$3,000 compared to students living on campus.

The estimated costs for books and supplies for an academic year is \$1,200.

Financial Aid Budgets will also include estimated costs for travel, personal, and miscellaneous expenses averaging \$3,300 to \$4,100. Students with dependent care costs or disability expenses should contact the Office of Financial Aid for a budget adjustment.

Double residence hall room and minimum meal plan used.

\*\*This tuition rate is equal to 150% of the resident rate, and applies to non-resident students other than those eligible for Minnesota reciprocity.

New freshmen students and new transfer students from Wyoming, Montana, North Dakota, Nebraska, Iowa, and Colorado are eligible for a tuition rate equivalent to the resident undergraduate rate.

# STEPS TO APPLY FOR FINANCIAL AID

## 1. COMPLETE THE APPLICATION FOR ADMISSION

Submit your application, high school and/or college academic transcripts, a copy of your American College Testing (ACT) Profile, and \$20 application fee at [dsu.edu/](https://dsu.edu/) apply. Final high school transcripts or GED certification is required of all student to receive federal financial aid.

TRANSFER STUDENTS: You must submit transcripts from any previous institutions you attended before you are awarded Federal financial aid at DSU.

## 2. APPLY FOR SCHOLARSHIPS

Be sure to check with your high school counselor or principal for local scholarship opportunities and applications. South Dakota high school graduates completing the Regents curriculum and receiving a composite ACT of 24 or better should apply for the SD Opportunity Scholarship.

Check out DSU Scholarships, links to free scholarship searches and outside scholarships at;

[dsu.edu/admissions/scholarships](https://dsu.edu/admissions/scholarships)

## 3. APPLY FOR A FSA ID

In order to fill out your FAFSA online, both you and a parent will need to create an FSA ID at:

<https://fsaid.ed.gov/npas/index.htm>.

You'll need the FSA ID in order to sign your FAFSA online and access other federal student aid sites.

## 4. COMPLETE THE 2023-2024 FAFSA USING 2021 TAX AND ASSET INFORMATION

You may apply online at [www.fafsa.gov](https://www.fafsa.gov). You can complete your application any time after October 1. Both student and parent information is required on the dependent student's application.

It is recommended that you use the IRS Data Retrieval Tool within the FAFSA to transfer your tax return information directly onto your FAFSA. If you do not use the IRS Data Retrieval Tool you may be required to obtain an official tax return transcript from the IRS.

DSU priority date is March 1 to ensure consideration for certain limited aid programs. Later applications are processed according to available funding. Be sure to include DSU's school code on your FAFSA (**003463**).

## 5. REVIEW THE STUDENT AID REPORT FROM THE DEPARTMENT OF EDUCATION

The Student Aid Report (SAR) will include your calculated EFC. Your EFC is used to determine your eligibility for the Federal Pell Grant and other types of Federal financial aid at DSU. Check the SAR for accuracy. If you provided the Department of Education your E-mail address, you will receive your SAR electronically within days of completing the electronic application. Otherwise, the SAR will be mailed to you.

## 6. MAKE CORRECTIONS ONLY IF YOU SUBMITTED INCORRECT DATA

Use one of the following options:

- Provide the correct information with your FSA ID at [www.fafsa.gov](https://www.fafsa.gov). Dependent student corrections will also need a parent FSA ID to make updates.
- Mail corrections on your signed SAR to the Department of Education's processor at the address provided.

## 7. RETURN REQUESTED INFORMATION AS DIRECTED

It is important to promptly complete and return all forms that the Financial Aid Office may require to complete your financial aid file. You may be required to submit a 2021 tax return transcript obtained from the Internal Revenue Service (IRS) (and your parent's, if dependent) to the Enrollment Service Center in Vermillion if your application results are chosen for "verification." Other documentation may also be requested to determine eligibility such as a birth certificate, Social Security card, visa, or marriage certificate. We are required to comply with Federal regulations and verify the information you reported on your FAFSA with documentation that we request.

## 8. FINANCIAL AID OFFER PACKETS

Financial Aid offer notifications are emailed to new students who have been accepted for admission after January 15. Watch your DSU email!

## FREQUENTLY ASKED QUESTIONS

### I PROBABLY DON'T QUALIFY FOR FINANCIAL AID. SHOULD I APPLY ANYWAY?

Yes. Many families mistakenly think they don't qualify for aid and prevent themselves from receiving Federal financial aid by failing to apply for it. In addition, there are a few sources of aid such as unsubsidized Stafford and PLUS loans that are available regardless of need.

### DO I NEED TO BE ADMITTED TO DSU BEFORE I CAN APPLY FOR FINANCIAL AID?

No. You can apply for Federal financial aid any time after October 1. To actually receive funds, however, you must be admitted and enrolled at DSU.

### WHAT IF A CHANGE OCCURS THAT ALTERS MY FAFSA APPLICATION INFORMATION, OR IF I HAVE UNUSUAL CIRCUMSTANCES?

Sometimes, due to special circumstances, the application process does not reflect your family's real ability to contribute to your educational expenses. These could be situations such as a family tragedy, divorce or separation, loss of employment or loss of income. If this is the case for your family, contact the Financial Aid Office to explain the situation. Do not make corrections to your Student Aid Report based upon your special circumstances.

Based on your documented information, the DSU Financial Aid Director may be able to use "professional judgement" and review your situation on an individual basis. If you feel you qualify, please contact our office.

### I DON'T LIVE WITH MY PARENTS AND THEY DON'T CLAIM ME ON THEIR INCOME TAX RETURNS. AM I CONSIDERED AN INDEPENDENT STUDENT?

If you are an independent student, your parents' tax and asset information is not required on the FAFSA. You are determined to be an independent student if you meet any of the criteria on the FAFSA that determine dependency status.

## FINANCIAL AID AWARD NOTIFICATIONS

Your DSU offer notification will include all aid awards you have been offered to date. Student financial aid offer notification begins in January for eligible students with valid FAFSA results and who have been accepted for admission to DSU.
